Abstract.....	127	Pedicle screw.....	14, 58, 100
Accuracy.....	70	Pedicle screws.....	105
Adolescent idiopathic scoliosis.....	1, 65, 93, 100	Pitfalls of surgical planning.....	131
Adult.....	47	Plain radiographs.....	70
Adult spinal deformity.....	131	Posterior spinal fusion.....	105
Anatomy.....	14	Posterolateral fusion.....	50
Anesthesia.....	47	Prognostic criteria.....	131
Bibliographic analysis.....	1	Prone position.....	91
Blood loss.....	65	Publication rate.....	127
Brace.....	80	Radiofrequency ablation.....	76
Causes of failure.....	131	Radiological evaluation.....	20
Cervical alignment.....	50	Rat model.....	116
Cervical spondylotic myelopathy.....	50, 58	Revision surgery.....	131
Chest injury.....	111	Rigid thoracic curves.....	105
Citation analysis.....	1	Roussouly classification.....	20
Classic papers.....	1	Sacralization.....	26
Complications.....	123	Sagittal pelvic parameters.....	20
Computed tomography.....	14	Sagittal spinal alignment.....	26
Congenital scoliosis.....	91	Scientific meeting.....	127
Congress.....	127	Screw malposition.....	70
Conservative treatment.....	8	Silver ions.....	84
Coronal spinal asymmetry.....	26	Spinal balance.....	32
Correction.....	100	Spinal deformity correction surgery.....	131
COVID-19.....	80	Spinal infection.....	84
CT reconstruction.....	70	Spinal injury.....	116
Curve magnitudes.....	105	Spine.....	20, 76, 127
Dermoid tumor.....	47	Spine injury.....	111
Diabetes mellitus.....	123	Spine surgery.....	123
Family.....	93	Spinopelvic parameters.....	32
Fracture.....	80	Stem cell.....	38
Functional scores.....	105	Subaxial cervical spine.....	14
Ganoderma lucidum.....	116	Sublaminar fixation.....	100
Horner's syndrome.....	91	Surgical site infection.....	84
Implant associated infections.....	84	Survey.....	93
Information needs.....	93	Thoracic spine.....	105
Jugular vein catheterization.....	91	Thoracolumbosacral orthosis.....	8
Lateral mass screw.....	58	TLICS.....	8
Lumbar microdiscectomy.....	32	Tranexamic acid.....	65
Lumbarization.....	26	Transplantation.....	38
Lumbosacral transitional vertebrae.....	26	Traumatic spinal cord injury.....	38
Meralgia paresthetica.....	80	Vertebra.....	80
Monoaxial.....	100	Vertebrae fracture.....	8
Morphometric analysis.....	14	Vertebral augmentation.....	76
Neoplasm metastasis.....	76	Vertebral body fracture.....	111
Neuroprotection.....	116	Wharton's jelly.....	38
Oxidative damage.....	116		
Palliative.....	76		
Pedicle.....	14
